## Board of Trade Meeting

### Ask Highways Minister To Address Meeting Here

### Glen Gorbous In Florida With Montreal Royals

(Note: This story was written by Lloyd McGowan, in Florida covering the Montreal Royals of the International League for his paper, the Montreal Star.)

VERO BEACH, Fla.—One of the most intriguing young players in the Royals camp is Glen E. Gorbous, an outfielder.

Gorbous is unique, first of all, be-

cause he is a Canadian out of Vulcan, Alberta. He still makes his home there.

Secondly, and perhaps more important than anything else is the fact that he compiled a higher batting average last season than anyone else in Max Baer's roster.

Gorbous, who bats left and throws right, played practically every game for Pueblo in the Western League. He hit to the tune of .336 and drove in 103 runs, no meagre achievement.

Somewhat typical of the Western athlete, Gorbous is a rangy customer who stands just under six feet. He is lean and sharp-faceted, obviously fast on the base.

At 23, Gorbous is no stranger to Dodgerdom. This is his fourth trip since he was signed by a Dodger scout in 1948.

He proved that he isn't without confidence and a sense of humor when he said: "I don't know who recommended me to them. I understand they fired the guy."

Twice he left the organization and played "outlaw" baseball in Western Canada and in Arizona.

But he was reinstated and now figures prominently in Max Baer's plan. "Glen might vulcanize that gap in right field," Max said.

Gorbous was signed off the Calgary Purty 99 semi-pro club. "I guess everybody else looked so terrible they took a chance on me," he said with startling candor.

During the winter, Gorbous played at defence for Vulcan Legionnaires in the Alberta Foothills League. He says that he likes playing hockey, possibly more so than baseball.

"I play a brutal game on defence," he laughed.

One of his best friends is Bill Goodby of the Chicago Black Hawks. Goodby is a good baseball player, according to Gorbous. Glen played baseball against Max Baer, who was with the Calgary Buffaloes. He says Goodby is a better ball player than Max.

Goodby, by the way, survived a harrowing experience in 1939 when he was only 12 years old. When he was returning to Canada with his mother aboard the Athenia which was torpedoed by a German U-boat, Bill and his mother were picked

The Hon. Gordon Taylor, Minister of Highways, will be invited to address a public meeting at Vulcan, on a date to be set by him, it was decided at an executive meeting of the Vulcan and District Board of Trade held March 25. Representatives of other towns situated on No. 23 highway will be invited to attend the meeting, when it is hoped to gain further information concerning the hard-surfacing of Highway 23.

The Board decided to secure and issue advertising license plates for the front end of automobiles, bearing the wording "Wheat Capital—Vulcan, Alberta". One license plate will be given to each person holding a membership in the Board of Trade and plates will also be on sale to the general public at \$1 each.

#### Favor Park Purchase

The Board went on record as favoring the purchase by the Town of the 90-acre property to the west of town to serve as a sports area and urged all ratepayers to make a special effort to get out and vote in favor of the bylaw on April 14.

The Board will write to the Gas Conservation Board in Edmonton, enquiring if Vulcan will be supplied with gas on the grid system, and will also communicate with the Alberta Government Telephone Company with a view to hastening of an automatic exchange with dial telephones in the Vulcan area.

### Armstrong Wins At Elks' Bonspiel

Five Vulcan rinks competed in the Elks' annual bonspiel at Calgary last week, with Buster Armstrong's foursome capturing the Exalted Ruler No. 7 event. Other members of the Armstrong rink were Bruce McKay, Clayton Clarkson and Walter Dann.

The favored Matlock rink of Vulcan, heavy winners at last year's spiel, was cut to three men when a rib injury forced Matlock out, leaving his team-mates Howard Spaeth, Jim Clark and Gale Atkinson to carry on. They took fourth prize in the Freightways event, with Clarence Robinson's Calgary rink taking second prize in the same event.

Neil Dumka's Vulcan rink placed fourth in the Exalted Ruler event.

### Police Court

Driving while impaired by liquor resulted in three residents of the Vulcan district being fined \$50 and costs and their driver's licenses suspended. Motorists would do well to leave the car at home if they intend to spend a part of the day or evening drinking.

Ten cases under the Canadian Wheat Board Act dealing with over-delivery were heard during the month resulting in fines of \$40 and costs.

The passing of "no account cheques" resulted in a fine of \$50 and costs to one resident, while a six month's suspended sentence was handed down on another local resident.

Numerous other cases were heard under the Fuel Oil Tax Act, having a vehicle in operation without flares, signal lights, tail lamps, not carrying fire extinguishers.

Creating a disturbance in the Town of Vulcan resulted in fines to three local residents who took to fighting at 3 a.m. on a Sunday morning.

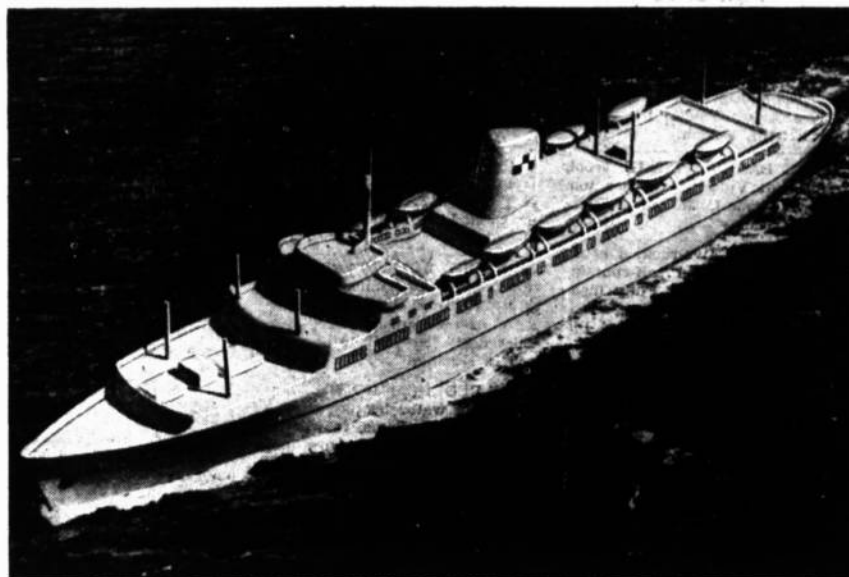

A local resident who tried driving his car down the sidewalk was charged with dangerous driving and fined \$25 and costs.

Up from a lifeboat, and eventually returned to Canada aboard the Atlanta.

Gorbous works in his father's furniture store in the winter. He thinks playing hockey hurts his baseball timing in the spring.

"I can't hit a ball out of the infield for weeks," he says.

It has long been his ambition to play with the Royals, he confessed. Gorbous is the Dodgers' answer to Tom Burgess, a Canadian outfielder bidding for a job with the St. Louis Cardinals. Burgess, out of London, Ont., clouted 346 for Rochester last season.

#### "NEW LOOK" FOR NEW EMPRESSES

A scale model of two new 23,000-ton stream-lined ships now on order by the Canadian Pacific Steamships for transatlantic service is shown above, making a realistic trial run in a British tank. The 21-foot liners with rakish lines and echelon decks will bring a "new look" to Canada's 1,000-mile inland portion of the transatlantic

route when they go into service in 1956 and 1957. Contract for constructing the second ship was let in Great Britain recently by A. C. MacDonald of Montreal, managing director of Canadian Pacific Steamships, to Vickers-Armstrong Limited, while the first, which will be named Empress of Britain, has been under construction since last fall by Fairfield, Ltd. Specially

designed for the Canada-United Kingdom service the liners will have accommodation for 900 tourists and 150 first class passengers as well as 380,650 cu. feet of cargo space. The sister ships will be 635-feet in length, 85 feet in breadth, and will draw 29 feet fully loaded. The name of the second ship has not yet been chosen.

#### Operation of First Aid Station

### Civil Defence First Aid Exercise on April 4

#### Vegter-deJong Wedding Rites

The Christian Reform Church at Iron Springs was the scene of a colorful wedding, combining customs of Holland and Canada, Wednesday, March 24, at 6:30, when Barbara de Jong, daughter of Mr. and Mrs. H. de Jong of Picture Butte, became the bride of Albert Vegter, son of Mr. and Mrs. J. Vegter, Iron Springs.

Preceding the wedding ceremony which was performed by Rev. John de Jong, the wedding sermon was preached, in accordance with the ritual of this church.

The bride's gown of white nylon net over satin was fashioned with a bustle effect, tiered skirt and dainty lace medallions trimmed the close fitting bodice. A three-quarter-length veil misted from a halo lace headpiece and she carried a shaven bouquet of red and white roses.

Miss Wilma de Jong, sister of the bride as maid of honor, and Miss Tena Vegter, sister of the groom as bridesmaid wore identical gowns of pale green lace and silk, with picture hats of lace. Their bouquets were of pink and white carnations.

Harold de Jong and Cor Vegter attended the groom as best men, while invited guests were shown to their places by ushers Tony Vegter, Fred de Jong, John Pool and Bill Vegter. The groom and his attendants wore traditional Dutch wedding attire.

Bouquets of flowers, decorated in front of the church and hymns were sung by the congregation. Following the ceremony the bridal couple greeted their friends at the church entrance.

Later the reception was held in the town hall and was opened in prayer by Rev. F. Hockstra, and attended by some 200 friends and relatives. A buffet supper was served and a varied program was presented of songs, plays and recitations, some depicting scenes from the bridal couple's native Holland.

A four-tiered wedding cake, decorated by Fred de Jong, brother of the bride, flanked the bride's table and was garlanded by bouquets of carnations and roses. The bride and groom cut the cake, while many good wishes were extended to them. The reception was concluded by Mr. P. Wamsteker.

The happy couple left later for a honeymoon at Lethbridge and other points. Upon their return Mr. and Mrs. Vegter will make their home in the Champion district.

Jewelry is being made in Canada from 50,000 year old ivory tusks found in the Yukon.

operation of a first aid station in time of disaster will be demonstrated by the County of Vulcan Civil Defence Unit on Sunday afternoon, April 4.

It is believed that this will be the first Civil Defence exercise of this nature to be held in Canada. The high school auditorium will be laid out in the various departments of a first aid station, with a reception area where all patients will be received, a treatment room for emergency treatment, a holding room where resuscitation would be given the more serious casualties, and an evacuation area where patients are collected for movement to improvised hospitals. Various other sections will be set up for handling of supplies, communications and transportation.

Casualties are picked up and given immediate first aid right in the disaster area by Casualty Collecting Units, which then transport the patients to the First Aid Station. For the purpose of this exercise, three Casualty Collecting Units will be set up, one at Red Cross school to serve Brant, Arrowwood and Milo, one at Champion serving Carmangay and Champion, and one at Vulcan. School vans will be used for transporting the casualties to the first aid station here, with RCMP and local police providing ambulance escort.

W. A. Shields is controller of the Vulcan Civil Defence Unit and Dr. A. D. Tompkins is Medical Director.

Transportation for the scheme will be in charge of Douglas Smith assisted by R. J. Willard and Jim Buchanan. Douglas Willard will be in charge of communications, with two amateur radio units providing mobile communication stations and the Calgary Highlanders providing radio units for Champion, Red Cross and Vulcan. Girl Guides and Boy Scouts will provide runners. The welfare section will be in charge of A. L. Schrag.

Bert Methers will have charge of the casualty collecting unit at Red Cross and Harry E. Smith will be in charge at Champion. Lundy Findlay, chief instructor for the local St. John's Ambulance Association, will assist Dr. Tompkins at Vulcan.

Due to the shortage of seating accommodation, tickets have been sent out covering seating for all members of the Civil Defence organization, councillors, teachers and nurses. All seats not taken up by 3 p.m. will then be given over to any other adults who wish to witness the exercise.

### Capacity Crowd At Fashion Show

Capacity crowds attended the afternoon and evening spring Fashion Show, tea and bake-sale,

sponsored by the St. Aldhelm's Ladies Guild, in the Legion hall on Saturday.

Once again beautiful ladies' and children's wear from the Betty Ann Shoppe, were displayed, showing the newest in spring attire. Suits, coats, afternoon dresses and play things, in all the latest materials and colors with accessories to match, were modelled. Smart cottons held a prominent place, especially in the clothing for the younger set.

Models for the shows were: Mrs. Dave McAfee, Mrs. W. S. Hill, Mrs. E. Easton, Mrs. Grant Walker, Mrs. Ford Fisher, Mrs. G. Seaman, Miss Betty Stevens, Mrs. Bob Willard, Miss Shirley Northcott, the Misses Glenna and Marilyn Joiner, Lynne Richardson and Gay.

Mrs. M. L. Todd graciously and capably commented on each lovely outfit as it appeared, calling attention to the smart lines and clever details. She described the materials and wearability of frocks, suits and coats.

Mrs. N. Dumka was at the piano during the afternoon show, providing soft background music for the models, and Mrs. Roy Walker presided during the evening.

Flood lights enabled the spectators to view all clothing to the best advantage, and moving pictures were made of the entire program by Commodore Allen and Arthur Cuthforth.

Mrs. Ruth Northcott and Mrs. Uelita Melver were in charge of the shows and were assisted by Mrs. Shirley Franks and Mrs. Margaret Richards.

Mrs. Northcott and Mrs. Melver were presented with bouquets of spring flowers by the ladies of the

## For Boys 8 to 12 Years

### Organize Little League Baseball in Five Towns

Organization of the Wheatbelt Little League, to provide a proper baseball set-up for boys between the ages of 8 and 12, was completed at a recent meeting with arrangements being made for five sponsored teams from towns on the Aldersyde line to comprise the league this coming season. The towns that will be represented by teams are Brant, Vulcan, Champion, Carmangay and Barons, with the following team names, sponsors and managers:

Brant Indians, Bill Burley manager.

Vulcan Tigers, sponsored by the Vulcan Lions Club, Max Jesse, Manager.

Champion Athletics, sponsored by the Champion Lions Club, Roger Jensen, Manager.

Carmangay Yankees, sponsored by the Carmangay Lions Club, Don Yeomans, Manager.

Barons Red Sox, sponsored by the Barons Baseball Club, Vic Schneider, Manager.

League officers have been elected as follows: Jack Steeves, Champion, president; Don Yeomans, Carmangay, vice-president; Roger Jensen, Champion, secretary; Charles Fulton, Vulcan, treasurer. These officers, along with the manager and coach of each team, will form the governing body for the league.

A schedule of ten home games for each team is being drawn up, to start the middle of May. Games will likely be played Tuesday and Friday evenings.

Boys playing in the Wheatbelt Little League must be between the ages of 8 and 12 with the 13th birthday of the latter not coming before August 1. Uniforms will be purchased by the sponsors in each town and will be of standard quality and uniformity, with a different color for each team.

Head guards must be worn by batters and base runners to protect them from any possible head injury. Running shoes or rubber cleat shoes must be worn for practices and games. All games played will be six innings only.

These and other rules are laid down by Little League Incorporated of Williamsburg, Penn., with which the Wheatbelt Little League will be franchised this year.

Plans have been made to show Little League films at each town having a Little League team, on the following dates:

Brant, April 12, afternoon; Vulcan, April 21, evening; Barons, April 22, afternoon; Carmangay, April 23, evening; Champion, April 23, evening. An effort is also being made to secure the 1953 World Series film for showing at the same time. These films should prove interesting to both parents and boys. Further details regarding places and times will be published soon.

Guild, in appreciation of their work.

The tea and bake sale were also very well patronized.

#### Average Contribution \$2.67

### T.B. Christmas Seal Campaign In This Area Reaches Objective

#### Name Delegates To Conference

Delegates to the regional board and chamber of conference in Lethbridge on Wednesday, April 7 were appointed recently by the executive members of the Vulcan and District Board of Trade, according to an announcement by President Stan Seales.

This conference has been called jointly by the Alberta Associated Chambers of Commerce and Agriculture and the Canadian Chamber of Commerce to facilitate discussion of community and regional problems and the exchange of board and chamber experience. It is expected that delegates will not only bring home new ideas for the local board of trade but also make their contributions to the ideas taken away by others.

The delegation from Vulcan will consist of the following: Stan Seales, John Jamison, William Shields and one other member to be chosen at a later date.

### Mrs. M. Scobie Wins Main Prize At Bingo

A large crowd was in attendance at the "Giant Bingo" sponsored by the Vulcan Lions Club at the Armories last Friday evening and prizes were well distributed.

Winner of the main prize, a complete Kodak Movie Set (Camera, Projector, screen and cases) was Mrs. Morley Scobie of Kirkcaldy.

Other prize-winners were: Laura Bucher—Westlock Travel Alarm; Mrs. A. R. Mainland—16-piece Hostess Set; Lynn Richardson—Revere Dutch Oven; Mrs. Buford Walker—G. E. Mantel Radio; Ben Dann—Ayers Wool Blanket; Merv McIntyre—32-piece Set of Dishes; Lyall Graham—Electric Coffee Percolator; Mrs. Ruth Christensen—Occasional Rocking Chair; A. M. Switzer—Lady's Overnight Cosmetic Case; Elsie Earl—G. E. Featherweight Iron; Grant Walker—Wrist Watch; Mrs. M. M. Bakken—Torchiere Floor Lamp; Dale French—Chrome Kitchen Rocker; Mrs. Harry Roebuck—Remington Electric Razor.

Proceeds from the bingo will be used by the Lions Club for community work.

### Lionettes Mark First Charter Night Anniversary

The Vulcan Lionettes Club which is comprised of some 40 members, held its first charter night on March 24, in the IOOF hall when they entertained the Lions at a buffet supper and hard time dance.

In a brief address, International Councillor Stan Seales presented a charter to Lionette President Alice Seales, and as the members of the Club signed this document, past president Boyd McKay handed each a Lionette lapel pin. Mrs. E. Gottenberg made the presentation of a president's pin to President, Alice Seales.

To entertain the men, the ladies staged a fashion show depicting various men's occupations such as farmer, cowboy, doctor, wrestler, etc., which caused a great deal of merriment. The pantomime skit "The Shooting of Dan McGrew" was also very well received and many a male had difficulty in knowing which "actor" was his wife. The program concluded with two of the girls giving their version of the Tennessee Wig-Wag.

Music for the dance was supplied by Fraser's Orchestra with many ladies' cheers and novelty dances adding to the fun.

The major project of this young club is to remember the older folk. All Vulcan residents 70 years or over who are hospitalized, receive fruit baskets or some equally suitable gift. The biggest undertaking of the year was holding the Senior Citizens night last November when residents 65 years or over were entertained for the evening.

### Tells Experiences In Jamaica

The Vulcan Church of Christ has been favored with exceptionally high attendances during the last several Sunday evenings when its minister, J. R. Chapman, reported on his first hand observations of the Island of Jamaica, B.W.I.

Mr. Chapman and his wife returned early in March from a tour of the Island where they visited among the natives and spoke in a number of native churches. He reported upon the work of the Christian churches of the Island and showed a number of slide pictures which they took while they were there.

During the past two weeks the local minister has been engaged by other churches for similar lectures. Last week he was in the city of Edmonton, and this week he is to speak in three of the churches in Calgary and the Alberta Bible College. He still has a number of appointments to fill between now and Easter in Lethbridge and other localities.

### Reason For Traffic Tickets

An article that may help temper the "beefs" of motorists tagged for seemingly harmless traffic offences appears in the March 20 edition of the Saturday Evening Post under the heading "I'll Give You a Ticket Every Time."

Written by a San Francisco policeman, it applies equally well to Canadian cities and towns—wherever the arm of the law may reach out and hand you a traffic ticket for some apparently trivial offence like going through a stop sign, exceeding the local speed limit or double-parking.

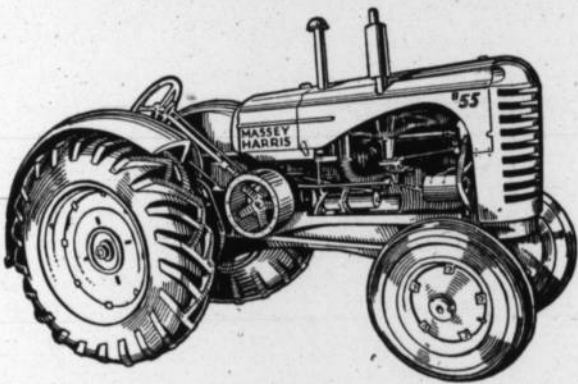

Every time a motorist commits one of these offences or a similar violation of the traffic laws, says the writer, he is just playing tag with the law of averages. The author explains from experience just what the low of averages can produce in the way of accidents, even from these minor traffic offences. Getting a traffic ticket or two may break a motorist of a bad driving habit and, in so doing, may someday save his life. As the writer says: "The law of averages isn't pretty—it starts working against you the first time you go through a stop sign without a full stop," and he then shows that it's just a question of time until your bad driving habits bring death or injury to yourself or someone else.

Next time you get a traffic ticket in Calgary or Lethbridge or even in Vulcan don't consider it as "tough luck". If it makes you a bit more careful in your driving habits, it might, in the long run, be "good luck" for you.

**NOTICE TO CREDITORS**  
IN THE MATTER OF THE Es-  
tate of WILLIAM TOTZ, late of  
the Village of Lomond, in the Pro-  
vince of Alberta, Retired Farmer,  
Deceased.

NOTICE is hereby given that all  
persons having claims on the Es-  
tate of WILLIAM TOTZ, who died  
on the 14th day of January, A.D.  
1954, are required to file with the  
undersigned Solicitor for the Ex-  
ecutor of his Estate by the 12th  
day of May, A.D. 1954, a full state-  
ment, duly verified, of their claims  
and of any securities held by them  
and that after that date the Ex-  
ecutor will distribute the assets of  
the deceased among the parties en-  
titled thereto having regard only  
to the claims of which notice has  
been filed or brought to his know-  
ledge.

DATED at the Town of Vulcan in  
the Province of Alberta, this 15th  
day of March, A.D. 1954.

**MILLERVILLE**—Sheep Creek School—Third Friday of each month—2 p.m. to 4 p.m.

These well-baby clinics are held for the purpose of weighing and measuring infants and toddlers, and discussing with parents any problems regarding feeding, training, and general care. Inoculations for Diphtheria, Whooping Cough & Tetanus, & Small-pox vaccinations are given after 6 months of age. There is no charge at these clinics, which are a service of the Foothills Health Unit.

## District News

### QUEENSTOWN

Word has been received of the birth of a daughter to Mr. and Mrs. Leo Batton (nee Leona Lund) at Otterville, Missouri.

A social evening with Reg. Camp bell as guest of honor, was held at the home of Mr. and Mrs. J. Lahd on Saturday evening, March 20. Reg was presented with a gift from the cast of the plays which he so ably directed, after which a lovely buffet lunch was served to 22 guests.

Commodore Allen of Vulcan was at the Legion hall Thursday evening and showed films which were mostly of local settings. Many were filmed on the occasion of Mr. and Mrs. Roy Allen's 50th wedding Anniversary in Vulcan and quite a number of Queenstown folks had the opportunity of seeing themselves on the screen. The pictures were mostly all in natural color. They were, in our opinion, as fine as you would see anywhere. Mr. Marks of Armada had also brought along some films that were shot on their trip to California and Oregon which were also very beautiful and interesting and we would like to take this opportunity of thanking both Mr. Allen and Mr. Marks for a very enjoyable evening.

And now that we are on the subject of plays and pictures we would like to say that over \$500 was realized from the several presentations of the plays of the Queenstown Dramatic Club. These funds certainly gave a big boost to the bank account of the Community hall. The one-act play "Rise and Shine" was entered in the Zone Drama Festival at Parkland on March 24 and although Parkland's entry won the laurels, it was a very close competition and the performance of the Queens-

town players compared very favorably with the winning group and the adjudication by Mr. Midhurst was very informative and much appreciated by all.

Mr. and Mrs. Geo. Elder are leaving on the 28th for a trip to New Orleans and other Southern points.

Mumps are very prevalent in the district at present and many of the children have been missing from school for some time. There always seems to be these little bugs around every winter, every year.

The Farm Electric Service have completed the new power line and many are enjoying their new electric lights and equipment.

A bachelor was advised by his doctor to cut out drinking, smoking and women. On the first day he cut out smoking. On the second day he cut out drinking. On the third day he cut out women. On the fourth day he cut out paper dolls.

### LOMOND

A large crowd from Lomond attended the Masquerade dance held in Armada Community Hall last Friday night. Mr. and Mrs. Star Craig were lucky winners of one of the costume prizes. All say they enjoyed the evening very much.

The Lomond CGIT enjoyed a treasure hunt and bean supper on Friday evening after which their leader Mrs. K. Coutts and the Senior girls attended the Masquerade dance at Armada.

Mrs. B. M. Stokes entertained a number of young guests on Friday afternoon in honour of her young son Charlie who celebrated his 5th birthday.

Friends will be sorry to learn

that Mr. Ralph Steeves is a patient in the Vulcan hospital suffering from Rheumatic fever.

Mr. and Mrs. R. H. Skeith and family have returned home from Regina, Sask. where they spent several days visiting their son Gary who is a member of the RCMP.

The March meeting of the Birth day club was held at the home of Mrs. Andrew McAllister with 16 members and four visitors present. Roll call was an exchange of 25c gifts. After a short business session the members enjoyed a contest presented by Mrs. Henry Crawford. Prizes were won by Mrs. Joe Chambers and Mrs. A. McAllister. Raffle prize went to Mrs. Tom Teasdale. The April meeting is to be held at the home of Mrs. Lena Huff.

Mr. and Mrs. Ed Knodell and son Barry of Medicine Hat were weekend visitors at the home of Mr. and Mrs. Thomas Teasdale.

Mr. and Mrs. Thomas Teasdale, accompanied by Mrs. Richard Teasdale and daughter, Terry, spent a few days in Calgary last week.

Mr. and Mrs. Floyd Stannard, accompanied by Mr. and Mrs. Jerlen Henrickson were visitors in Calgary several days last week.

Among other Lomond visitors in Calgary last week were Floyd Hammer, Irvine Lindstedt, Mr. and Mrs. Earl Helland.

Clarence Erickson has returned to Lomond after spending several months visiting in the States.

Near the North Pole, Canada and Greenland are separated by only a few miles.

More than one-third of all Canadian women who need industrial jobs find work in the textile industry.

# Exclusively Yours

The beautiful '54 Pontiacs are designed for people who like their proud possessions to be just a little more exclusive. They are more discriminating in their choice of sleek styles, harmonious colors, luxurious appointments and fine car features. And Pontiac's unsurpassed range of models enables them to choose a car which exactly reflects their tastes and their personalities—whether it's used in the country or city, for business or pleasure.

Yet for all this, Pontiac costs no more to own. Pontiac is priced with the lowest, and it needs little help from the pocketbook to keep giving wonderful service. Trade-in offers are high, too.

If you are looking for a car that is exclusively yours—and your family's—contact your Pontiac dealer today. Ask him about the great range of 31 models and the countless features. Then take a demonstration drive in the model which pleases you most, for final proof that Pontiac is the car for you.

### Unchallenged for Fine Car Features

The motoring ease of Pontiac's "extra" features is the wonder of the low-priced field. Here you find feather-light stops, effortless steering, clutchless relaxation during all driving—and many more of the thrilling features you'd normally only expect to enjoy on higher-priced cars.

### Unmatched for Distinctive Styling

One glance tells you that Pontiac's styling places it in a class by itself. It's beautiful to be seen in—luxurious to ride in. And in the rainbow array of exquisite color harmonies you'll find the gorgeous hues to exactly suit your taste. Even the appointments bespeak thoroughbred styling.

### Unsurpassed for Choice of Models

Thirty-one brilliantly new models in six great series, each excitingly different, to give you a wonderful freedom to pick-and-choose. In the breathtaking Pontiac line, there's a car to please the most exacting driver. And each model carries the prestige of being the very best of its type, anywhere.

### Unexcelled for Trouble-Free Driving

You enjoy an exclusive sense of confidence when you own a Pontiac—the car with the most widely-known reputation for forthright dependability. Pontiac is built to last more years and more miles—as happy owners have proved over and over again. Dependability is one of the greatest factors in Pontiac's outstanding value.

### Unrivalled for Economical Operation

Only Pontiac is built to such exact power-to-weight ratios—ratios that mean every drop of fuel has a definite job to do. Therefore, Pontiac engines use less fuel to give you flashing get-aways, economical cruising speeds, and safe passing speeds—saving you money with every mile you travel.

### Unbeatable Dollar for Dollar Value

Pontiac gives you the greatest dollar return for your new car investment. The initial cost is well down in the low-priced field, and the running costs are wonderfully low. Then at trade-in time, you'll be pleasantly surprised at the offers you'll receive. You'll find you've travelled, in greater comfort, farther per dollar than ever before.

## FARM REPAIRS OR ALTERATIONS?

To help you improve your farm you may obtain bank loans for many purposes. For example, the purchase of seed, feed or supplies; to pay for general repairs, or the installation of a new plumbing system; for painting and decorating; drainage, irrigation and fencing; to purchase movable granaries and farm machinery; or to pay for the building of extra barns, stables or sheds. It's good business to borrow from BNS.

Come in and talk it over with your BNS manager

• YOUR PARTNER  
IN HELPING  
CANADA GROW

Your BNS Manager is a good man to know. In Arrowwood he is J. L. Barry. In Milo he is R. E. Glaze.

Have you settled on a  
**POULTRY FEEDING PLAN**  
for this year?

Come in and talk it over with us. We might be able to save you some money. We have a plan scientifically designed to

## CUT PULLET GROWING COSTS!

For example, Edison Hastings, a well known poultryman who used this plan last season says: "I saved over 58¢ per pullet raised and grew large birds that laid large eggs right at the start".  
When you can make savings like that and still grow strong healthy birds for heavy egg production, it's really worth looking into. Isn't it?  
Drop in and see us soon. The Ful-O-Pep Pullet Growing Plan can save you money, too!

### ARROWWOOD

Wiebe - Rochon

Spring flowers were used to decorate the Strathmore United Church, March 20, when Miss Ruby Louise Rochon, daughter of Mr. and Mrs. H. Soetens of Strathmore, became the bride of Mr. John Wiebe, son of Mr. and Mrs. P. Wiebe of Altona, Man. Rev. Blakely Prichard officiated at the ceremony.

Given in marriage by her father, the bride wore a gown of white nylon tulle over bridal satin, designed with a torso waist of nylon lace and lily point sleeves. Her beaded tiara held a three-quarter length veil in place. She carried a white bible topped with an orchid corsage.

Miss Jo Rochon, as bridesmaid, wore a bouffant gown of pink nylon net over satin with a matching lace jacket. She carried a nose gay bouquet of pink carnations.

The best man was Hans Hansen of Carleton Place and ushers were Mr. Hurley Williams and Mr. Donald Williams, both of Arrowwood.

Mr. Dick Paradise played the wedding music and accompanied Mrs. M. Mercer when she sang the Wedding Prayer during the signing of the register.

The reception was held at the home of the bride's parents where Mrs. Soetens and Mrs. P. Wiebe, mothers of the bride and groom, received the guests.

Jack Friessen of Edmonton, uncle of the bride, proposed the toast to the bride to which the groom ably responded. The couple left on a trip to Montana. They will reside in Arrowwood.

For going away the bride wore a blue gabardine suit and a navy blue top coat with white accessories.

Out-of-town guests were Mr. and Mrs. P. Wiebe, parents of the groom, Miss Henrietta Wiebe and Mr. and Mrs. J. Friessen, all of Altona, Man.; Mr. and Mrs. Jack Friessen of Edmonton and Mrs. Helen McConnell of Olds.

### ENSIGN

Mr. and Mrs. Henry Hansen recently celebrated their second anniversary with a dinner. Guests included Mr. and Mrs. Elmer Hansen of Calgary and Mr. and Mrs. Harold Hansen and family.

Blaine Parker of Revelstoke, B.C. paid a visit with his parents, Mr. and Mrs. H. S. Parker.

At the High School bonspiel in Vulcan over the weekend a rink skipped by Ken Hamilton with Gordon Kennedy, Barbara Fletcher and Yvonne Archambault were lucky enough to win socks for the boys and billfolds for the girls.

Sunday guests with P. J. O'Dwyer were Mr. and Mrs. J. B. O'Dwyer and David Fisher of Calgary and Mr. and Mrs. Alex Hagen.

Mr. and Mrs. Curly Collison of Claresholm spent the weekend in Ensign visiting old friends.

D. J. Zebede and P. J. O'Dwyer journeyed to Strathmore and Calgary last week.

Mr. and Mrs. Jim Wells and Yvonne Archambault visited in Ensign on Sunday.

Recent guests with Mr. and Mrs. Henry Hansen were Mr. and Mrs. C. Yeomans and Miss Ina Carberry of Calgary. Some 20 guests visited there during the evening.

Mr. and Mrs. Bill Turley and son and Mr. and Mrs. L. E. Elston of Spanaway, Wash. motored to Claresholm to visit Mr. and Mrs. Curly Collison.

The monthly meeting of the Community Club will be held on the first Wednesday of the month. Newcomers are welcome. Roll call will be old nylons.

I. Williams drove to Three Hills on Thursday to bring Mrs. Williams home.

### KIRKCALDY

Mr. and Mrs. Sturgis Davis are being congratulated on the birth of a son at the local hospital on March 26.

Mrs. A. Main of Calgary is visiting at the home of her son and daughter-in-law, Mr. and Mrs. Joe Main this week.

Mr. and Mrs. Theo Scobie and Wayne of Cayley visited at the home of Mr. and Mrs. Morley Scobie last Friday. Brian Scobie went to Cayley with them, returning home on Saturday with Wayne Scobie who is holidaying at his brother's home this week.

Mr. and Mrs. Arthur Jones and Lorna spent the weekend with relatives at Carstairs.

Friends of Earl Brinton are sorry to hear that he is confined to the local hospital. A speedy recovery is wished him.

Latest victims of the mumps are Jimmy Wilson, Michael Davis, Earl Brinton, Ronald Brinton.

Mrs. Morley Scobie is being congratulated on winning the grand prize at the Lions Bingo last Friday evening.

Miss Marlene Urquhart returned home from Calgary on Sunday. Her friends are pleased to hear

she made a good recovery.

Last Saturday the Busy Bee's Girls club attended the Girls Club conference in Lethbridge. A tap dance number by Ora Jane Urquhart and Marilyn Smith of Carmangay accompanied by Mrs. Haga, was greatly enjoyed at the conference. Others attending the conference were Mrs. Urquhart, Miss Ware and Mrs. Martin.

Mr. and Mrs. Ivan Haga motored to Lethbridge on Saturday.

### EDMONTON REPORT

By Donald F. Smith  
Special Correspondent

EDMONTON: Highway safety and the increasing number of traffic accidents on Alberta roads are subjects that have loomed large in the discussions of members of the Alberta legislature this year.

The pattern is becoming clear and was crystallized by Attorney-General Lucien Maynard last week with his announcement that the province's highways will be patrolled starting this summer with plainclothes policemen. In cars which will not be marked as police cars.

To the cries of "unfair" the attorney-general's reply is that "we have tried other methods," apparently implying that there is more that can be done to slash the highway death and injury toll. The system proposed by the government appears to be unique in western Canada as far as a province-wide system is concerned, although it has been giving good results in some cities, such as Vancouver.

Some of the other things in the offing, which were brought out in discussion in the legislature, include the engineering of safety into the highways, with elimination of unsafe curves as one factor, and the possibility that one day in the not-too-distant future, car drivers will be required to carry flares or reflectors which can be set out on the highway when motorists become stalled or for some other reason are forced to leave their cars on the highway.

Increased penalties for drivers convicted of driving while impaired by alcohol or while their drivers' licenses are suspended also are designed to deter persons who are inclined to be reckless on the road.

Suspension of the driver's license (and the vehicle registration) is becoming a popular way to penalize offenders of various regulations pertaining to motor vehicles.

In this regard, illegal use of purple gasoline will mean stiffer penalties for offenders, particularly those who are found using it for the third time or more. It involves a fine of not less than \$100 for the third or subsequent offence and mandatory suspension of the driver's license.

er's license and car registration for three months.

Officials of the provincial secretary's office say it is the result of too many persons believing it is cheaper to use purple, tax-free gasoline and to take a chance on being caught and paying a small fine. The fines are no longer small the minimum for a first offence being \$25.

Speaking of the things which are tax-free, a bid by the Liberals in the house to have the government abandon the amusement tax, which increases the price of theatre admissions, was rejected. Provincial Secretary C. E. Gerhart, whose department will collect an estimated \$1,100,000 from levying of the tax in the next 12 months, says it may be turned over to the larger cities as another form of municipal revenue. It cannot, he claimed, be given to smaller centres to benefit in the same way, because pressure of local businessmen would prohibit municipal councils imposing it.

The legislature's study of the estimates began last week, after several of the members had their say as to the type of budget Premier Manning had introduced. By the end of the week the house had approved more than \$100 million, notably for spending by the health, welfare, economic affairs, attorney general's, education and welfare departments.

Hearing of persons interested in the problems of education were concluded by the legislature's education committee last Friday and a resolution, proposed by Education Minister A. O. Aalborg was to be submitted to the legislature. It called for increased grants for school construction in the cities and "added features" for teacher training.

The effect or purpose of the resolution was not immediately clear, particularly to opposition members who proposed a lengthy amendment, which government members said they could accept only in part and therefore rejected.

It appeared last week that the session would continue into the first few days of April, which would make it a six-week session.

## A Few Questions To Ask The Printing Peddler

?

When the peddler selling stationery and printing supplies solicits your business, there are a few questions which he should be willing to answer to your satisfaction.

1. Does he pay taxes in this community?
2. Can he supply your order on short notice?
3. Does he donate space in the newspaper to your local community enterprises?
4. Does he pay wages to a force of employees located in Vulcan?
5. Does his newspaper donate its entire space toward the betterment and upbuilding of this community?
6. Does he grant you every favor that you would ordinarily ask of your local newspaper?
7. Does the quality of his merchandise stand inspection?
8. Does his price include postage and insurance charges?

If he can answer ALL the above questions in the affirmative, he has an equal right to your business

IF NOT — CONSULT

### ARMADA

Mrs. J. Urdal Sr. returned to her home in Calgary after renewing acquaintances in the district.

Mavis Stokes, daughter of Mr. and Mrs. G. Stokes was a patient of the local hospital recently.

Mr. and Mrs. W. Smith and girls spent last weekend with friends in Champion.

Mrs. L. Stokes is home after undergoing an operation in the Vulcan hospital.

The Armada district extends deepest sympathy to the Schlat and Williams families on the loss of their little son and grandson, Vernon.

Miss Jeanette Kunkel was a visitor to Calgary last week.

Mrs. C. Lund attended the funeral of her mother last week at Monarch. Friends of the community extend their deepest sympathy to Mrs. Lund on the loss of her mother.

Mr. and Mrs. W. Grant arrived home after a lengthy holiday in California.

Guests at the Walter Smith home over the weekend included Mr. and Mrs. E. Seland and Beth, Mrs. Mervin Seland and daughter, all of Calgary.

The Saturday night dance proved a great success again last week with a good crowd on hand to enjoy an evening of dancing to the seven piece pick-up orchestra.

Whoever thought Armada had so much musical talent, soon we'll have to build an extension on the stage to hold them all. Perhaps some of you readers would be interested to know just who this orchestra consists of. Well first on the drums we find Harvey Howell, sometimes his brother, Edward who also plays the banjo and piano.

Then the accordion sharks consist of Glen Sealock, Allan Valle, Irvin Bennett with Stan Marks on the electric guitar and Harry Manning with the violin. Fenwick Oakes chords on the piano. Last Saturday night we saw a few new additions, namely Gail Kunkel on

the accordion, Merle Sande with guitar and Bill Marks on the fiddle. Another guitar player who deserves mention and whose name is not available, is a chap working for McKee's seed cleaner. The only thing they need now is a Jew's harp?

Mr. and Mrs. A. Marks and family were visitors at the E. Anderson home on Sunday.

See you at the Masquerade in Armada Friday, March 26.

Miss Jeanette Kunkel returned to her job in the Vulcan Bank of Commerce after spending her three-week vacation in Armada.

Max Hanna, Stanley Henrickson Art Marks and Harvey Howell are canvassing the district for donations toward the Red Cross campaign.

Congratulations to Mr. and Mrs. G. Howell of Milo on the birth of a daughter. Mrs. Howell is the former Katie Brotherhood.

### BRANT

Members of the Brant Catholic Women's League met at the home of Mrs. O. Paton on March 18 with 16 members and one visitor present.

Meeting was opened by the League prayers followed by the Merian Year prayer. Following the roll call and minutes, a number of items of business were discussed.

Mrs. Gallagher reported that she and Mrs. L. Shaw had met with two representatives of the Ensign Cultural Athletic Society to make a settlement about the chairs and tables which are owned by these two groups in partnership.

The C. W. L. group again refused the offer from the Ensign group to buy out their interest, and voted instead to remove their half of the furniture in question to Brant. Mrs. Shaw and Mrs. Gallagher were to meet the representatives of the Ensign group at the hall to divide the number of tables and chairs evenly.

It was decided that members meet for church cleaning on Tuesday afternoon, April 13. Mrs. Druhal is to purchase field daffodils

for the church on Easter Sunday if they are available. It was also passed that we purchase glass for a sacred picture and purple coverings for the statues. Mrs. L. Shaw was to look after both of these. Members voted for a \$5 donation to Red Cross. Plans were made to send a club order to Eaton's again for Bazaar supplies. A donation was to be made to the Ensign community hall for its use by the C.W. L. on March 3. Plans were made for next month's program. Mrs. N. Flebotte offered her home for the next meeting which will be on April 22 instead of the usual date.

Mr. and Mrs. E. Green entertained a number of their friends at four tables of 500 Saturday evening. Ladies' first was won by Mrs. Wm. Auld from High River; Men's first was won by Earl Bateman; Consolation prizes were won by Mrs. Ed Auld and Frank Sellars. A lovely lunch was enjoyed by all.

The St. Patrick's tea and bake sale held in the Brant Hall Wednesday, March 17, sponsored by the Home and School Association was very well supported. The tables were very nicely decorated in green and white and the traditional Shamrocks and little green Irish flags.

Mr. and Mrs. N. Jensen and son Billy arrived home Tuesday morning from a three month's holiday spent in different States.

Three rinks from Brant were curling in the High River, bonspiel this week.

Mrs. Jack Rhodes and daughter from Lethbridge are visiting her mother, Mrs. E. Walbauer and Mrs. I. Rhodes.

The Ladies Aid will meet at Mrs. Gordon Thompson's home Thursday, April 1.

Home and School Association will meet Wednesday evening, April 7 in Brant school. We will have as our guest speaker for the evening, Dr. Rolan.

Miss Margaret Druhal is a patient in the High River hospital.

Ed Prater's rink won fourth prize in the fourth event in the High River bonspiel.

Everyone had a good time at the square dance Friday night. The next square dance will be the finish for the year. That will be April 2.

Mr. and Mrs. E. Bateman entertained a number of friends at 500 Monday evening. Ladies first was won by Mrs. K. Sellars and men's first by J. Thompson. Consolation prizes were won by Mrs. Wm. Auld of High River and S. Graham.

A lovely lunch was enjoyed by all. The Birthday club met at the home of Mrs. S. Graham to celebrate her birthday Thursday evening, March 25 with 10 members present. The evening was spent playing Chinese checkers and contests.

A lovely lunch was served by Mrs. Lola Knapp and Mrs. Agnes Parker. Mrs. E. Walbauer made the birthday cake.

Mrs. Floyd Olsen who was a patient in the High River hospital for the past week, friends will be pleased to hear she was able to come home on Thursday.

Linda Olsen, six-month-old baby of Mr. and Mrs. Ted Olsen is a patient in High River hospital.

Mr. and Mrs. George Hamilton motored to Edmonton for the week end.

Mr. and Mrs. Benny Ball motored to Red Deer Thursday to visit their daughter Arlene who is a patient in Red Deer hospital.

## HEALTH INSURANCE

... how millions of Canadians are voluntarily protecting themselves and their families against the cost of illness and accidents

While giant strides have been made by medical science in the past half-century, the cost of serious illness remained a very real problem for many Canadian families until quite recently.

The most generally satisfactory method of meeting this problem—health insurance—has been in existence for many years. But few people had this protection until 1940. Since then, their numbers have increased at a truly amazing rate.

Today, 5½ million Canadians have voluntary insurance against the burden of hospital costs. Nearly 4 million enjoy protection against surgical expense. And about 3 million have the newest form of protection: medical expense insurance. Most of these people have acquired this protection in the last ten years!

Where did all these people obtain this much-needed help?

Mostly from insurance companies, Blue Cross plans, and medical care plans which are

sponsored by the medical profession. Others acquired protection from insurance co-operatives, fraternal benefit societies, employee benefit associations.

Keen competition among the various insuring agencies has brought a steady broadening of benefits and greater protection for an ever-increasing number of Canadians. Thus today most of the hazards of illness and accidental injury may be covered through voluntary insurance plans offered by one or more of these agencies.

This striking record of achievement proves two facts: It proves that Canadians have foresight and initiative in helping themselves to meet the unpredictable costs of accidents and illness. And it demonstrates the ability of insuring agencies to provide service that meets the greatest needs of the greatest number of citizens.

The Life Insurance Companies in Canada are proud that they have been able to provide a large share of this vital service!

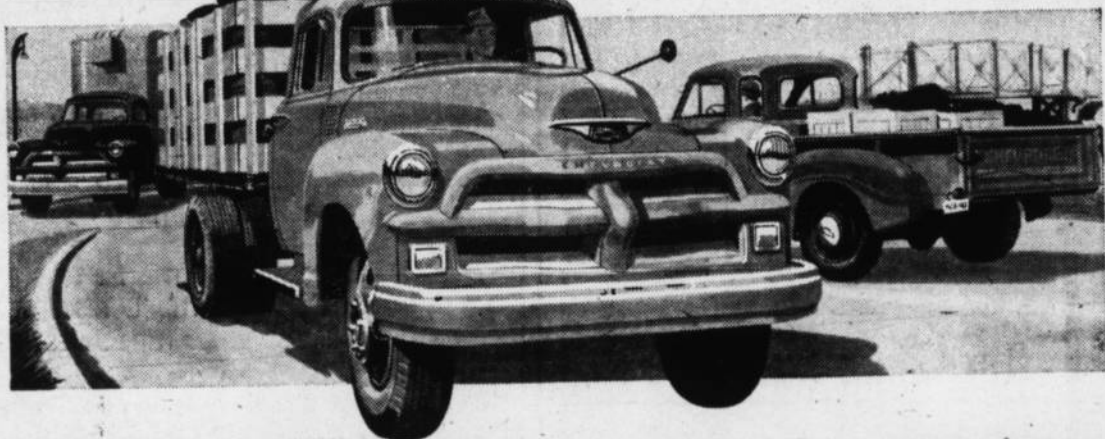

YOURS FOR THE ASKING—The new booklet, "Financing Health Services in Canada". This informative 31-page booklet outlines the advance of modern voluntary health insurance plans, and shows how they complement government health services in all parts of the country. For a free copy, write to The Secretary, Joint Committee on Health Insurance, 302 Bay St., Toronto, Ont.

When you plant **DRESSED**  
seed grain ...

you plant

# PROFIT!

NO OTHER INVESTMENT  
YOU CAN MAKE  
PAYS AS BIG A  
DIVIDEND AS YOUR  
SEED DRESSING PROGRAMME

In controlling losses from wireworms and diseases it assures maximum germination, cleaner grain and higher yields with greatly increased returns per acre. Plant those EXTRA profits this year by dressing your seed before you plant.

Prevent BOTH wireworms and  
disease in just ONE operation with  
**MERLANE**

Merlane is a powerful combination insecticide and fungicide. Just one application of potent Merlane protects your seed grain against both wireworms and seed-borne diseases

in wheat, coarse grains, flax, corn and beans! In stronger stands ... healthier crops ... you get back an average of eight times the cost of Merlane at harvest-time!

PREVENT DISEASES  
WITH

## Panogen

It's the modern liquid seed dressing ... a ready-to-use solution that aids maximum germination—controls seed diseases such as wheat bunt and blight, damping-off, etc., of oats, barley and rye, and such diseases as black-leg of sugar beets. Panogen clings to the seed

—won't rub off in storage, handling or soil. And because Panogen is a liquid, it greatly reduces danger from flying mercurial dust.

Mr. and Mrs. Elwood Granlin left last week for Los Angeles, California, where they will visit with their daughter, Elaine, who is attending school there.

Mr. and Mrs. Donald Clifford and small son were weekend visitors at the home of Mr. and Mrs. Howerton, enroute to their home in Wetaskiwin, after holidaying in Lucky Lake, Sask., Milk River, Coutts and McNab.

Peter Patterson of Calgary spent several days recently visiting in the town and district.

The Long Coulee Mutual Telephone Company held its annual meeting in the Club Room of the Community Hall on Saturday afternoon, March 27. Fourteen shareholders were present. It was decided to make arrangements to apply for permission to increase the Company's shares. The officers of the Company are as follows: President, George Ellis; Directors: A. Bjornson, W. Matlock and Eddie Lebsack.

Mr. and Mrs. C. H. Gloer entertained at a family dinner party on Friday, March 26, on the occasion of their 40th wedding anniversary. During the day they received good wishes from Calgary and other points, and neighbors and friends from the town and district called to wish them well.

Champion and district were saddened by the news of the death of a well loved citizen, Peter Holm, who passed away Saturday night in the Vulcan hospital, at the age of 70. Mr. Holm had been seriously ill for four months. Sympathy of the town and district is extended to his widow and the family.

### Catholic Women's League

The March meeting of the C.W.L. was held at the home of Mrs. Ivar Ivanson with 15 members attending. Mrs. Mike Beingsnesser, the vice-president conducted the meeting. Mrs. Martin Hoyt volunteered to act as the League's representative on the Champion Public Library Board. A study Club was organized under the direction of Mrs. Hoyt and Mrs. Jim Allen. Mrs. Arnold Becker assisted Mrs. Ivanson with the refreshments. The April meeting will be held at the home of Mrs. Richard Bach, when the annual election of officers will take place.

Mr. and Mrs. Jim Barry were weekend visitors in Edmonton where they visited with Mr. Barry's father and their son Eddie.

### Women's Association

The March meeting of the W.A. was held at the home of Mrs. Wm. Christensen, with 15 members and one visitor present. Mrs. Siler, the president, presided at the meeting. Mrs. C. H. Gloer was in charge of the devotional. Plans were made for the Easter Tea to be held on April 10th, in the Dining Room of the Hotel. Mrs. Maxwell and Mrs. Latiff assisted Mrs. Christensen with the lunch.

Miss Evelyn Reath has resumed her teaching duties after being confined to the Vulcan hospital.

### POWER FROM THE ATOM

It has been estimated that by 1965 Britain may be deficient in coal by about 20 million tons. The stimulus that dwindling reserves of coal will give to the production of power from nuclear energy was referred to by Britain's chief atom scientist, Sir John Cockcroft recently to British members of Parliament. Nuclear power stations capable of developing 5,000 megawatts would have to be constructed.

A hog producers marketing board for the three prairie provinces was recommended to the livestock committee at the western conference of the Canadian Federation of Agriculture.

Harry A. Ruggles, son of Mr. and Mrs. J. A. Ruggles, Champion, Alta., will graduate on April 16th from the Prairie Bible Institute, Three Hills, Alta. Mr. Ruggles attends the Evangelical Free Church in Champion. In the fall he will attend the Trinity Seminary in Chicago, Ill. For the future, Mr. Ruggles and his wife and family, plan to go to Venezuela, South America as missionaries under the Evangelical Free Church Mission Board.

## District News

### ARROWWOOD

Bill Lloyd spent a few days in the Vulcan hospital last week. Fatti Lloyd was also a patient while having her tonsils removed. Mrs. C. Coulter is at her home again after being in the Vulcan hospital a number of days last week.

We are sorry to hear that Ralph Oberholtzer is a patient in the hospital after undergoing an operation. We wish him a speedy recovery.

G. Roberts has returned from the East and brought back a new car.

H. Ellis has returned to his home after spending a few days in the Vulcan hospital.

We are sorry to hear that Mrs. F. Miller is a patient in the Holy Cross hospital. We wish her a speedy recovery.

Congratulations to Bill Steiner on winning a trip to Scotland this summer. The trip is sponsored by the UFWA and winners spend two months touring Scotland.

The regular meeting of the FWUA was held last week at the home of Mrs. M. Norton. A Health Bulletin was read by Mrs. M. Pinkerton and a bulletin on Handicraft read by Miss V. Cawey. An

Irish contest then took place, followed by a delicious lunch served by Mrs. Norton and Mrs. G. Brown. V. Leach has gone East to attend the funeral of his father. We extend our sympathy to him at this time.

Miss Daneille Williams and Miss Rose Hnatuck were weekend visitors at the home of Mr. and Mrs. Harold Williams.

Miss Joyce Curtis spent the weekend visiting at the home of her parents, Mr. and Mrs. C. Curtis.

A farewell was held in the Shoul dice Hall on Friday for Mr. and Mrs. M. Palmer who are moving from Shoul dice to Milo where they will farm. Contests were held and a gift presented on behalf of their friends of the Shoul dice district. Following this lunch was served.

A farewell party is being held in the basement of the Church of the Brethren for Mr. and Mrs. J. Irwin who are leaving this district. Everyone is invited to attend.

On March 18 the Women's Work Group of the Church of the Brethren held a District Rally with the Arrowwood Ladies Aid acting as host. The meeting opened with a luncheon. A welcome was extended to the visiting ladies of Irricana by Mrs. McDaniels. The afternoon

meeting consisted of reports, panel discussion, vocal and piano numbers and Mrs. McCune of Irricana told of her recent trip to California. About 40 ladies were present.

F. Arney and Mr. and Mrs. A. Harrison of Calgary were Sunday visitors at the home of Mr. and Mrs. C. Arney.

G. Hoerle of Delburne is visiting at the home of Mr. and Mrs. A. Hoerle.

### ALSTON

On Sunday of last week Mr. and Mrs. E. Williams and family motored to Granum where they visited with Mrs. Williams parents, Mr. and Mrs. T. Syme.

Miss Myrna Verrechoor who has been employed at the Evan Williams home for the past few months has accepted a position in the Vulcan telephone office.

Jack Moorhead of Calgary was a visitor at the Roger Hubbard home one day last week. Mrs. Hubbard accompanied him back to Calgary.

New residents of the district are Mr. and Mrs. Jock Marshman and family who moved to the Volsey farm recently.

Mr. and Mrs. E. Mueller motored to Calgary on Tuesday of last week.

Last Wednesday evening Richard Smith entertained a number of his young friends at a dinner and party, the occasion being his 10th birthday.

Two Saturdays ago the Champ-

ion Boy Scout Troop led by Jim Haga, Mrs. G. Urquhart, Mrs. C. Carlson went on a hike along the Little Bow river from the Parkland road to the William's place. Mr. and Mrs. L. Schumacher and family were Calgary visitors for a few days last week.

Those from the Busy Bees Girls' Club who attended the District 4 W.I. Girls' Club Convention in Lethbridge Saturday were Mrs. I. Calgary.

## EDMONTON REPORT

By Donald F. Smith  
Special Correspondent

EDMONTON: Recollections of a 19-year-old Social Credit promise were stirred in the Alberta legislature last week as Premier Manning presented a record-smashing budget of expenditures and forecast the payment of "citizens' participation dividends", based on Alberta's revenues from the natural resources dividends.

There was, of course, no statement of what the dividends would be or how they would be distributed. This is a quotation from the premier's speech: "It may be that the time is coming when the interests of responsible self-government will be better served by levelling off the measure of provincial financial aid and distributing directly to the individual citizens of each community an equitable share of the revenues accruing from the development of their natural resources in the form of citizens' participation dividends. Such a policy not only would enhance the financial ability of ratepayers to meet the operating costs of autonomous local government, but would recognize each citizen's personal stake in the natural resources of the province and his right to an equitable share of the benefits accruing from their orderly development."

This statement followed by one day the introduction of a motion by Social Creditor John Landry of Lethbridge, calling on the federal government to "enact the necessary legislation to provide for the issue of money and credit in terms of public need." Which in other words is ninety-nine and ninety-nine one-hundredths per cent Social Credit monetary theory.

Mr. Manning's unprecedented budget forecasts total spending for the year beginning April 1 of \$204,949,712, an increase of \$30,866,582 over the appropriation for the current year.

It was the premier's tenth budget presentation, the first one having called for total expenditures of \$39,094,558. As in the past, highway construction, maintenance and administration will take the lion's share of the estimates, including statutory loans. The \$57,209,195 estimated expenditure on highways and district roads is almost 28 per cent of the estimates. The agriculture and water resources departments plan to spend \$7,085,245.

The appropriation for district highways and local roads is \$1,000,000 greater than the \$5,625,000 of last year. Grants to municipal districts for these purposes will total

\$3,000,000; grants to improvement districts, \$2,500,000 and to special areas, \$125,000.

Bridge construction in the ensuing year is expected to run to \$4,500,000, or \$1,500,000 more than last year, while the construction of main highways calls for spending of more than \$30,000,000. Under a special section is the Trans-Canada Highway within Alberta, for which the proposed expenditure tops \$6,400,000.

Advocated by many members in the legislature this year, the proposed increase in the supplementary payment to old age pensioners from \$10 to \$15 per month will be received with approval in almost all quarters. Those to whom this assistance will be given are those on old age security pensions, old age assistance pensions and blind persons' allowances.

At the same time it is proposed to increase by \$60 the allowable annual income of each of these categories for supplementary pension purposes. It will cost the government more than \$1,000,000 for the increases.

It remains to be seen if the Premier's belief that the \$600 increase in the members' sessional indemnity "will have general public endorsement". In announcing the proposed increase, to bring the total to \$3,600, Mr. Manning said there have been no revisions in the indemnities since 1949-50 and cited increased cost of living and MLA's expenses as reasons for approving the step.

Study by the legislative education committee of the proposed six-week teacher training program and permanent certification of teachers with one-year formal training began this week, which appropriately enough is "Education Week."

## SERVICE BOARD NOTES

H. S. Burns, Field Supervisor

It appears that this is going to be a spring of scant runoff. What little snow we have had has disappeared into the ground, which brings to mind how the seasons differ and how the soil on rolling lands such as we have in this County needs to be protected from the water in seasons of excess precipitation. This country is in its infancy yet as far as control measures for water erosion is concerned, but forward-looking farmers are beginning to consider ways and means to prevent future trouble from this source, such as grassing down water courses, contour cultivation, etc. and in this regard Mr. Michael, our District Agriculturist from Claresholm will be glad to discuss this interesting problem of contour work, and be of assistance in taking the initial steps required.

This may be a good season to consider doing some work toward grassing down waterways and thereby check any further gully-ing. We are aware of not a few fields in this County that have arrived at the stage where it is now impossible to get across these ditches with machinery and in cases such as this it is seriously reducing the value of the land and then, of course there is the sheet and rill erosion which is practically invisible but never-the-less erosion. Constantly going on and over a period of years it will cause serious loss to the top soil of any farm that is not level, unless practices are put into effect to curb it.

Now that we have an over-supply of wheat may be a good time to consider seeding down to grass, some fields that need building up either from the effects of erosion or continuous cropping and in the regard we have at County headquarters a stock of Brome, Crested Wheat, Creeping Red Fescue and Alfalfa, and the innoculant for the Alfalfa seed. These are No. 1 seeds and can be had at the regular prices of the Alberta Seed Growers' Assoc. and to encourage the filling in and seeding down of water courses, your Service Board is prepared to supply Brome grass seed at half price. I will be glad to discuss this at any time with anyone who may be interested.

## R.A.F. SAYS GOODBYE TO LAST SPITFIRES

The last Spitfires in operational use by the Royal Air Force have now been replaced with jet aircraft. The famous planes which made a world-wide name for them selves in the Battle of Britain, were flown by countless Canadian airmen. The only remaining Spitfires—less than 50—are used to make meteorological climbs. Designed by the late R. J. Mitchell, the first Vickers-Supermarine Spitfires were delivered in 1938 and since then nearly a quarter of a million have been built.

**what has happened to the price of Gasoline on the Prairies?**

Gasoline prices on the prairies have dropped. While the cost of nearly everything else we buy has gone up, the price of petroleum products has done better than hold the line.

Since 1948, the average wholesale price of gasoline on the prairies has decreased more than 12%. In the same period, the cost of living has gone up 20.2%.

By finding new sources of oil, the oil industry has held down the price of petroleum products.

\* Based on wholesale prices in principal cities. The wholesale price is what the oil company receives and does not include provincial tax or dealer margin.

**DISTRIBUTION OF THE IMPORTANT VARIETIES OF WHEAT**

SEEDED IN WESTERN CANADA IN 1953

MAP INDICATES WHERE EACH VARIETY IS DOMINANT

COMPILED AND CHARTED BY  
SEARLE GRAIN COMPANY LIMITED**ANNUAL SURVEY OF THE DISTRIBUTION OF WHEAT VARIETIES 1953**

As this map reveals, Thatcher is not only the most popular wheat variety used by farmers in the West, but year by year it gains ground. Thatcher today occupies 69.73 per cent of the total wheat acreage in the West that is sown to wheat, compared with 65.73 per cent last year. Rescue once again

is in second place with 6.40 per cent of the acreage. Redman is in third place, occupying 5.55 per cent; Marquis fifth with 3.11 per cent; Durum sixth with 2.47 per cent; Garnet seventh with 2.39 per cent; Red Bobs eighth with 1.92 per cent; Regent ninth with 1.65 per cent. Then follow with less than 1 per cent each Apex, Renown, Canus, Reliance, winter wheat, Lee

and some miscellaneous varieties. Thatcher dominates in Alberta with 83.31 per cent of the acreage, and dominates in Saskatchewan with 81.53 per cent of the acreage, but in Manitoba Redman dominates, occupying 40.48 per cent. Thatcher being second in Manitoba with 30.89 per cent. Lee, a variety imported from the United States, has made only an insignificant advance in wheat acreage.

**Carmangay**

Mr. and Mrs. W. Ewing were in Lethbridge on March 13 attending the wedding of their son Richard A. Service to Annabelle Illerbrun. Shirley Service, sister of the groom was bridesmaid and the groom was attended by the bride's brother, Allan Illerbrun. Following the ceremony a reception was held at the Elitz Cafe. Mr. and Mrs. Service will reside in Lethbridge.

Mrs. W. F. Ewing had a happy surprise when her brother, Corp. B. H. Bond whom she had not seen for five years, flew in from Rivers, Man. with the members of the curling team from that base. Cpl. Bond spent the day with his sister.

Sunday visitors at the home of Mr. and Mrs. W. McIntyre were Mr. and Mrs. Carse and children of Lethbridge; Mr. and Mrs. H. C. Lancaster and children from Pincher Creek; Mr. and Mrs. H. Laroche and Mr. and Mrs. J. Metcalfe from Vulcan.

Delmar Shearer recently underwent an operation in hospital in Kansas City and his friends are pleased to learn that he is progressing favorably.

Mr. and Mrs. Harold Hovde returned last week from Toppish, Wash. where they spent the winter months with Mrs. Hovde's parents, Mr. and Mrs. Maloney. Mrs. Haloney accompanied them here and after a visit of a few days returned to her home in Toppish. The Primrose Club entertained Monday evening at the home of Mrs. Wilfred Twedt, in honor of Mrs. Earl Warnock. Mr. and Mrs. Warnock are leaving the district shortly.

Mr. and Mrs. Streithorst have moved into the house owned by Bill Gray. Mr. Streithorst is employed at the Alberta Pacific elevator.

Ole Oracker is in Calgary where he attended the funeral of Ed. Long. Mr. Long had, at one time, worked in the East Carmangay district.

Mr. and Mrs. Melvin Macleod spent a few days in Calgary last week.

Mr. and Mrs. Glen MacFarland and Mrs. Julia Gower are in Great Falls, Mont. where they expect to spend a couple of weeks.

Mrs. Ed Watwood entertained at a family party on Sunday in honor of her sister Mrs. Smith of High River whose birthday it was. Sixteen guests were present, including the Roy Pages of Milo, Mr. and Mrs. Smith from High River and the Watwood family from Calgary.

The opening dance of the Black Spring Ridge Hall held on March 26 was a success and the Association extend their thanks to the Fraser orchestra. They are planning another to be held on April 9.

The West Club met with Mrs. Gilbert McGinnis. One visitor was Gilbert McGinnis. One visitor was welcomed, Mrs. Arnold Hermans, the Herman's farm.

A collision occurred Monday east of Carmangay between the car of Einar Dahl and the truck of Joe Lazo. Though the car suffered considerable damage, no injuries were sustained by anyone.

Sorry to learn that Mrs. Mina Greene is a patient in the local hospital with the flu.

Another Carmangay patient, also suffering from cold is Haakon Anderson. Best wishes for a speedy recovery to both.

Walter Soderquist  
On Wednesday, March 24, relatives and friends crowded the United Church to pay their last respects to Walter Soderquist, who died at his home at the early age of 54. The many beautiful floral tributes and the lengthy cortege attested to the esteem in which the deceased was held. A beautiful duet was sung by Mrs. Bill Gray and Mrs. Delmar Shearer. The hymn "Love Divine" was sung and the recessional was "Some Day We'll Understand" sung by the choir. The chief mourners were his widow, Gretta Boyd, his sons Allan and Melvin, also his brothers, Emil, Fred and Frank, his sister-in-law, Mrs. R. Soderquist of Red Deer, a niece, Mrs. Stanley Switzer of Lacombe, brother-in-law, Bob Boyd of Mossleigh, also several other nieces and nephews.

Martin Bros. were in charge of the funeral and the pallbearers John Ness, Amos Lazo, Jim and Richard Fraser, Ed Stettner and Hjalmar Nelson. The Rev. Mr. Bearisto of Barons conducted the service. Mrs. Soderquist and sons wish to extend to all their deep thanks for all the kindnesses shown to them in their bereavement.

**Peter Brandvold**

Rev. Mr. Bearisto of Barons conducted funeral services on Monday March 2 in the Carmangay United Church, for the late Peter Brandvold, who died tragically at the Carmangay hospital on Thursday, March 25 from the effects of a gunshot wound.

The many beautiful yellow daffodils, among the floral tributes, symbolized to the bereaved family the Eternal Spring to which their loved one had gone, and held forth the promise of reunion in the spiritual future. The hymn "God and Father of Mankind" was sung and many messages of hope and comfort were read from Holy Scripture and the choir rendered "Sweet Hour of Prayer."

Mr. Brandvold was 78. He was born in Norway and farmed for several years east of Carmangay. About three years ago he and his wife moved into the village. The mourners were his wife, Petra, a son Peter from Port Alberni, B.C., Lars from Fort Macleod, daughters Mrs. Croft from Vancouver, B.C., and Mrs. Maki from Rimby and a son Eiling from Carmangay. Mr. Maki, son-in-law and Mrs. E. Brandvold, daughter-in-law. Also a brother, Lars Brandvold and his wife from Calgary. Another son, Ole, in Ontario, was unable to be present. He also left two sisters in the U.S. To all these is extended the sympathy of the entire community. The pallbearers were Bright Robertson, Clarence Anderson, Jim Fraser, Orville Smith, Vernon Green and Bill Gray.

The Carmangay High School entered two rinks in the Vulcan High School bonspiel on Saturday, March 27. The Benny White rink, with Donald Brownell, Joan White and Elaine Row are congratulated on winning first prize in the first event, each receiving individual curling trophies. This rink was undefeated until they played the winners of the second to decide the winner of the aggregate.

The second rink consisted, of Dick Brown, John Neilly, Dorothy Hubka and Jean McTavish. This rink failed to reach the prizes but enjoyed good games. All the entrants reported a most enjoyable

## District News

### EASTWAY

Mr. and Mrs. Stuart Campbell and family visited at the home of Mr. and Mrs. Frank Burgess of Queenstown on Sunday.

Mr. and Mrs. Pat Laughlin and family were visiting with Mr. and Mrs. Harold Hellevang of Calgary for a few days.

We are glad to report that Mrs. Edith Willard and baby, Marcia Kay, also Archie Oldfield, are home again after spending a few days in the local hospital.

Mr. and Mrs. Joe Sultor were High River visitors on Tuesday.

Mr. and Mrs. George Gooch accompanied Mr. and Mrs. Orlo Doane and Donna to Nanton on Sunday, where they visited Mr. and Mrs. Harry Houlton and girls.

Mr. and Mrs. Bill McMullen and Evelyn attended the wedding of Shirley Lynch and Glendale Root of Armada in Vulcan last week.

We are glad to hear that Mr. and Mrs. Ted Rummel are living in the district again on the old Storey place.

About six couples from the district attended the Dinton square dance jamboree held in High River last Saturday, also in Herronton the previous Wednesday.

Mr. and Mrs. Stuart Campbell and Mr. and Mrs. Frank Wyatt were in Calgary last week.

### HERRONTON

The March meeting of the Herronton Community Club was held on the 17th at the home of Mrs. Leo Cooke with an excellent attendance. Edna Weber was appointed to look about a new cook stove for the hall basement. It was also decided to present Mary Phyllis Cooke with a gift for her achievement in winning the oratorical contest. Mabel Green read her report on the Box Social which netted \$34.50. Instead of the lunch being donated for the next dance, it will be bought. Ellen Switzer won the Nickle Draw. A delicious lunch was served by Mary Richardson and Edna Weber. The April meeting will be held at the home of Mrs. Doug Swartz.

The dance of the 19th was quite successful with the ladies clearing about \$21 on it.

Two accidents have occurred at the Pioneer Grain elevator lately. While raising studdings for the new annex, one fell striking the foreman, Ken Johnston on the shoulder injuring it quite badly. However, he was able to continue on the job after x-rays and treatment. Vic Davies suffered painful injuries when he caught his leg on a pulley, making a five inch gash and chipping his shin bone which required 19 stitches to close.

The square dance of the 24th was a huge success with 11 sets present from Carseland, Vulcan, Blackie, Dinton, Brant and Mossleigh dancing to John Webb's calling. A delicious lunch topped off the evening. The club cleared about \$55 on this dance.

A couple of weeks ago, 4 sets from the Dinton square dance club were guests of the Boots and Calico Club in Calgary. Dancers from Herronton included Joan and Gordon Laycraft, Vic and Mabel Davies, John and Mabel Green, Frank and Muriel Thurber, Bernice and Stu Beagle, John and Maureen Webb and Johnny, Tom and Donna Webb.

Vic Davies is a patient in hospital suffering from virus pneumonia and all wish him a speedy recovery. During his absence W. E. Murray from Gleichen is taking his place at the elevator.

Bad colds and flu are again sweeping the district.

Mr. and Mrs. Joe Leslie have returned from an extended holiday spent at Vancouver and in California. The Pioneer annex is nearing completion and the lumber is being hauled for a new Alberta Pacific annex.

The Dan McNiven auction sale was very well attended with good prices. The Cottonwood Ladies Aid did very well with their lunch with a complete sell out.

Mrs. Stu Beagle travelled to Havre, Mont. with her brother Al Stevens to visit their sister and brother-in-law, Mr. and Mrs. Henry Frank for several days last week.

Frank Thurber has been in hospital and all wish him a speedy recovery.

### With The District Agriculturist Hugh Michael

#### Rusty Grain Beetles Active

Rusty grain beetles were recently observed in approximately 3500 to 4000 bushels of wheat. This particular wheat was harvested dry in 1952, and was stored in a partitioned off area in a large machine shed. No floor had been provided. When this wheat was observed during March 23 it was found to be heating and carrying a large population of rusty grain beetles. The experience of this particular farmer points out the advisability of periodically examining all stored grain. This is not the first instance where dry grain has become infected with the rusty grain beetle in Southern Alberta, other cases have been observed by various agricultural workers in recent months.

#### Pruning Trees and Shrubs

Most authorities recommend late winter and early spring as the best time for pruning, however it depends somewhat on the kind of tree or shrub to be pruned. Very severe and unnecessary pruning has been found to have a weakening effect, especially on the root system. Limited pruning has a stimulating effect, and often produces stronger growth than usual. Un-

wanted or undesirable branches should be removed at their point of origin on the main trunk. A stub should not be left where a branch has been removed. Stubs prevent smooth healing, and where they die they become a source of disease and decay.

Shelterbelt trees should require very little pruning, except the removal of broken or dead branches. This recommendation is made because ample branching from top to bottom is desirable in order for the shelterbelt to give maximum protection from the strong winds for which Southern Alberta is well known.

Spruce trees or other coniferous trees require very little if any pruning, except for the removal of double tops.

The elm probably requires more pruning than most other shade trees grown in Alberta. It should be pruned annually in order to avoid poor crotches and top heavy branches. If the elm is not carefully pruned, it will suffer damage from high winds.

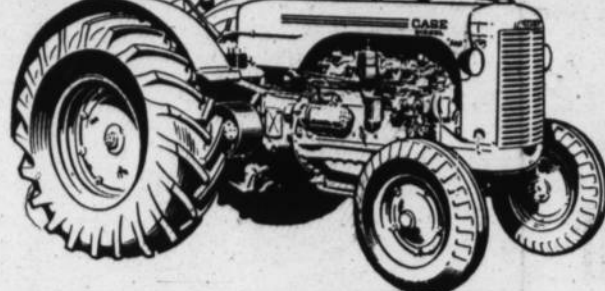

If the Manitoba maple is pruned in the early spring some bleeding usually occurs, however this is rarely serious, and seldom proves injurious.

When pruning flowering shrubs, it is necessary to be familiar with their habit of blooming. Lilacs produce their bloom on the previous season's growth, roses on the other hand, send out a new growth from the main shoot, which later produces blooms. Lilacs should be pruned after the blooms have faded. For shrubs such as the rose, which bloom on current season's growth, heading back severely to keep the bush in proper shape and proportion, is the recommended practice.

See the Newest and Simplest of Farm Diesels

## CASE DIESEL

Power Steering "500" 5-PLOW TRACTOR

Here at last is a Diesel tractor

that's easy to start, easy to handle, easy to maintain. Besides Diesel fuel economy, it brings low-cost upkeep. It has power to do your work in less time, with less labor. It has Constant Power Take-Off, Constant Dual Valve Hydraulic Control, Double Disk Brakes, and POWER STEERING.

There is a big demand for these tractors, so place your order now to be sure of delivery.

**RICHARDSON AND GOULD LTD.**  
PHONE 19 DODGE DESOTO VULCAN  
*What we sell we service*

#### STARTS ON DIESEL

No gasoline engine, no gasoline. You push the starter button of the 12-volt, heavy-duty electric system—that's all. Cold-weather starting aid uses sure-fire ether capsules.

#### "POWRCEL" CONTROLLED COMBUSTION

Longer periods of combustion put more uniform pressure on pistons during power stroke... provides clean burning, and amazingly smooth, quiet power.

#### 6-POINT FILTERING SYSTEM KEEPS FUEL CLEAN

Clean fuel keeps diesels out of trouble. Case furnishes three stages of filtering in the fuel line, plus a water trap, plus micro-mesh screen in filler hole, plus air filter at tank breather.

#### 7-BEARING CRANKSHAFT

Six-cylinder engine is Case-designed, Case-built. Seven main bearings give solid support at both sides of every crank. Three cylinder heads—one for each pair of cylinders—are easy to handle in servicing, reduce possibility of warpage or gasket leakage, keep maintenance costs down.

Term, cash.

Redemption may be effected by payment of all arrears of taxes and costs at any time prior to the sale.

Dated at Vulcan, Alberta, this 8th day of February, 1954.

E. M. FARR,  
Secretary-Treasurer.

## NEW OLIVER "99" MOST POWERFUL GENERAL FARM DIESEL ON WHEELS!

Here is the smoothest, most powerful diesel wheel tractor ever built for general farm work.\* The mighty 4-5 plow Oliver "99" is big in work capacity... big in value and big in farm utility features.

The new "99" is a true diesel... starts readily on diesel fuel at normal temperatures. And for instant zero-weather starts, an ether injector is provided as standard equipment. What's more, the "99" is a "six" that gives you quick response and extra lugging power.

You'll find many great features on the "99"—smooth double-disc steering brakes... comfortable rubber spring seat... new safety starting unit... effortless recirculating ball-type steering... sealed beam headlights... heavy-duty clutch that's serviced from the outside.

Stop in and give this powerful new "99" a work test... see why it's a leader in the power class. In addition to the new diesel, a modern 6-cylinder overhead valve gasoline engine model is also available.

\*Develops 65 horsepower on the belt, observed during manufacturer's tests.

## District News

### ARROWWOOD

The WA of the United Church held their regular meeting at the home of Mrs. W. Blackie. It was decided to entertain the Gleichen and Cluny locals in April. Lunch was served by Mrs. M. Wallace and Mrs. F. House.

Mr. and Mrs. S. Hayes and family were Calgary visitors on Sunday and attended the party in honor of Mrs. R. B. Hayes who was 70 years old.

Mr. and Mrs. Jasper Root and family of Carmanagay were Sunday guests at the home of Mrs. E. Cameron. Miss Sandra Cameron returned with them and is spending a few days visiting in Carmanagay.

Arnold Pobst arrived on Sunday from New Westminster and is working for Hurley Williams.

The Arrowwood district was saddened last week at the death of Ray Zahursky, 14, who died on Saturday, March 20 in Vulcan hospital. Ray was born in Calgary and lived in Arrowwood where he attended school. He is survived by his mother and father, Mr. and Mrs. S. Zahursky, 3 brothers and 3 sisters, all of Arrowwood. Funeral services were held from the Vulcan United Church, March 21 with burial in the Vulcan cemetery. Pallbearers were classmates, N. Jacobson, B. Culp, O. Oldfield, J. Wieslaw, N. Wieslaw, G. Roberts.

The whole community extends sympathy to the family at this time.

A farewell party for Mr. and Mrs. John Irwin and family was held on March 26 in the basement of the Church of the Brethren. Entertainment consisted of vocal solos by Norma Oberholtzer, Tommy Williams, piano solos by Myrna Beagle and Arlene Williams and a vocal duet by Hazel DeWitt and Ann Richards. Then D. Oldfield presented Mr. and Mrs. Irwin with a gift on behalf of their friends in the community and Mr. and Mrs. Irwin ably thanked those present for it. Following this a delicious lunch was served by the Junior Sunday school class which Mrs. Irwin taught and a good time was enjoyed by all.

We are sorry to hear that Mrs. D. House had the misfortune to break her wrist and spent a few days in the Vulcan hospital while having it set.

### MOSSLEIGH

The Mossleigh Community Club are holding their monthly meeting on April 2 at 8 p.m. in the hall. A show, sponsored by the Red Cross, will be shown.

We were very sorry to hear that our W. A. reporter, Mrs. K. Glanders, has been ill in the hospital but now pleased to see her about again.

There will be a show in the Mossleigh United Church on Wednesday, April 7 at 8 p.m. sponsored by the Cancer Crusade. A silver collection will be taken at the door.

Two curling teams from Mossleigh entered the High River bonspiel and came home with a prize. R. Baker, with M. Branskill, L. Stevens and T. Percival won first in the first event and F. Morrell with J. Jolly, H. Leslie and F. Wilson won first in the fourth event.

A shower for Letty Rogers was held in the church on Saturday, March 27. After two quizzes were solved Letty was presented with a basketful of lovely gifts. She was assisted in opening them by Dorcen Christie and Cora Miles. After the presents were opened and passed around a lovely lunch was served by the girls of the Students Union.

### BERRYWATER

Mrs. Grace Mensinger and niece, Roxie Foster of Grande Prairie, were guests for several days last week at the H. C. Douglass home.

Mr. and Mrs. H. C. Douglass and

Stuart accompanied by Mrs. Grace Mensinger and Miss Roxie Foster motored to Calgary last Friday, from where the latter two entrained for San Francisco to visit with Mrs. Mensinger's daughter, Mrs. Jack Watson.

Mr. and Mrs. Willis McIntyre and family were business visitors to Lethbridge Friday last.

Nick Horkoff has returned to the district after spending the past two weeks at Oliver, B.C.

Mr. and Mrs. F. B. Webber and son are visitors to Lethbridge this week.

Mr. and Mrs. Ross Smith and family and Mr. and Mrs. Allan Smith and family attended a family gathering at the J. S. Smith home Sunday in honor of the birth day of Mr. Smith Sr.

Miss Ruth Brett of Vulcan spent the first or the week at the home of her brother-in-law and sister, Mr. and Mrs. Bob Healy.

Miss Anne Oldfield of Calgary spent the weekend at the home of her parents, Mr. and Mrs. Lynn Oldfield.

Mrs. Roy McIntyre accompanied by Mrs. T. Peterson of Milo was a recent Calgary visitor.

Mr. and Mrs. Roy Adam are Olds visitors this week where they will attend Achievement Day at the Agricultural college, which their daughter, Norma has been attending this season.

Bob Healy was a Calgary visitor on Friday.

### REDLANDVIEW

Formerly

### RED CROSS

The Cottonwood Ladies Aid will hold their meeting on April 7 at the home of Mrs. Danny Watson.

Mr. and Mrs. George Todd and Mrs. Alvie Fulton were Lethbridge visitors on Friday.

Mr. and Mrs. Alvie Fulton and Owen, Mrs. Wesley Fulton and son Jackie were to Calgary on Sunday and Wesley was released from the hospital for a few hours.

Mr. and Mrs. Howard Burrell, Mr. and Mrs. Arthur Cutforth and Mr. and Mrs. Bob Jamison attended the Square Dance at High River on Saturday.

Steve Slyzen spent the weekend at the home of Mr. and Mrs. Don Woodman.

The next FUA meeting will be held at Redlandview Hall on Thursday April 1 and the Dance will be held on April 2.

Mr. and Mrs. Victor Fulton and Laura spent the day in Calgary on Tuesday.

Mr. and Mrs. Clare Dunham were accompanied to Calgary on Monday by Mrs. George Fulton and Lynell.

The Alberta Wheat Pool held their meeting at Redlandview hall on Monday evening, March 29.

Guests to speak were Mr. Bell of Calgary and Sam Brown who is our delegate to the Wheat Pool. Sam now resides on a farm between Blackie and High River. After showing pictures an open discussion was held and the ladies then served lunch.

### MAJORVILLE

Don't forget the Smorgasbord supper on Saturday, April 3rd serving will start at 5 p.m.

Mrs. Francis was hostess for the FWUA meeting on March 18. Fourteen members and visitors answered the roll call "What Flower I would like to grow this year."

The members decided to purchase yarn to knit afghan squares and when the article is completed it will be raffled.

It was also decided to donate the books that were purchased and read last year to the high school library.

Some discussion on the new six weeks training course for teachers resulted in a motion to write to Mrs. Lawrence, the director, for an explanation of the statement by Mrs. Taylor that the FWUA is in

### PRESS BREAKDOWN

A major breakdown in our newspaper press Wednesday afternoon almost resulted in the Advocate being issued late this week, as only about half of the 12-page issue was off the press. However, some new gear teeth were made and installed by Bob Parker of the Vulcan Machine Shop and the press was rolling again Wednesday night, with the whole staff pitching in to make up lost time and allow us to publish as usual Thursday morning.

favor of the course as this local is very definitely opposed to the proposed change in teacher training.

Mrs. R. Bertrand read the bulletin on health and also a pamphlet on the mumps, which has been plaguing the community for some time now. Mrs. Vic Bertrand will entertain the next meeting. The hostess served a lovely lunch assisted by co-hostesses Mrs. R. Bertrand and Mrs. H. Winch.

Mr. and Mrs. Wellman were in Calgary for a day or two last week.

Good news for the farm wife who in the spring goes into the poultry business to be able to make some pin money is the killing of some 30 coyotes by Con Peterson with his plane and Bert Clemmons as gunner. For a long time now it has been a losing game around here trying to raise turkeys and chickens. Mr. Coyote usually won out no matter how diligently the flocks were guarded. Thanks a lot, Con.

### MILO

On Tuesday, March 23 at the regular meeting of the Rose Leaf Rebekah Lodge of Milo seven sisters, members of the Fern Leaf Rebekah Lodge of Cayley conferred the degree for the local lodge.

There were 70 officers and members present including four representatives from the Grand Lodge; namely: Sister Mary LeBarge, vice president of Rebekah Assembly; Brother Joseph LeBarge, Brother Wm. Hansen, Grand Warden of the Grand Lodge of Alberta and Brother M. W. Brockway. Past Grand President of the Rebekah Assembly. Three candidates were initiated by visiting members and there were Lodge visitors from High River, Blackie, Cayley and Vulcan. Noble Grand Sister Rita Black presented corsages to the seven sisters from Cayley and to Sister LeBarge. Sister LeBarge gave a reading and all joined in the singing of Auld Lang Syne and lunch was served.

Two rinks of curlers skipped by Charlie Carson and Robbie Thompson challenged Vulcan curlers Sunday evening for the trophy but came home without it. The ladies bonspiel is in progress at Cluny and one team of lady curlers from here are competing. The team includes Ethel Heather as skip with Helen Thompson, Betty Clemmons and Billy Sukut. Sorry to say the Phil lips cup is back in Arrowwood and Carlsland curlers will challenge Arrowwood for it this week.

Mrs. Con Peterson and Mrs. Roy McIntyre spent a few days in Calgary the past week while their husbands participated in the Elk's bonspiel.

Best wishes for a speedy recovery to these and all others on the sick list: Joy Black, Murray and Darwin Phillips, Ivan Winch, Margaret Winch, Bob Umschied and many others.

A Home and School Executive meeting was held at the home of Mrs. T. Clarke with some 14 members present. A program was drawn up where the next topic to be discussed will be the Curriculum. On the panel for the discussion will be T. Clarke and C. Carson, H. Heath and Mrs. F. Durston. Following there will be a buzz session and all this at the next meeting of the Home and School on Friday, April 3 at 8:30 p.m. Prepare to attend parent teachers' conference at the school on Monday, April 5, Tuesday, April 6 and Wednesday, April 7 at the time and day allotted you individually. Please phone or bring in reports of community activities to your correspondent.

## Brief Items of Local Interest

Mr. and Mrs. Bob McCaskill and daughter, Debbie, have returned to their home in Calgary after spending the past ten days visiting at the Clifford and Frank Love homes.

Word has been received here that Mr. and Mrs. Percy Simpson and family, who have resided at Lethbridge for the past two years moved the first of the week to Saskatoon, where they will make their home. Mr. Simpson, who is employed by the Luna gas company, has been transferred by them to the Saskatchewan city.

Mr. and Mrs. Dan Purdy and children of Calgary spent the week end with Mrs. Purdy's parents, Mr. and Mrs. H. Krause.

Mr. and Mrs. John Hanna returned Monday from an extended holiday spent on a Caribbean cruise and report a fine vacation. Mrs. Lyle Sales and son, Larry of Calgary spent the weekend at the A. Sales home and on their return to the city were accompanied by little Lindy Sales, who had spent the previous week here.

Mr. and Mrs. Dave Bell accompanied George Hargraves and daughter, Rae back to Calgary on Sunday and are at present visiting at the Hargraves' home.

Mr. and Mrs. A. Hindle are visitors this week in Calgary.

K. Roy McLean, Optometrist of Calgary, will be in Vulcan at the King Drug Store on Monday, April 19, from 11 a.m. to 5:30 p.m. Consult Mrs. McLean at his Calgary office, 1014 Greyhound Bldg., daily except Monday.

Rev. J. S. Clarke was accompanied to Calgary the first of the week by Mr. and Mrs. Ed Roebuck, when Mr. Roebuck entered a Calgary hospital for treatment. Best wishes for a speedy recovery are extended to him.

Miss Terrie McAfee has received the results of her music examination from the Toronto Conservatory of Music and had the exceptionally good mark of 94. Her teacher has been Mrs. A. Schrag.

Mr. and Mrs. C. Northcott moved to Lethbridge on Sunday and enroute home visited with Mr. and Mrs. L. Chell at Monarch. Friends here will regret to learn that Mrs. Chell was ill for several weeks and is only yet able to get around her home.

Friends here of Mr. and Mrs. Pete Weber will be interested to learn that they have recently moved to Edmonton, where Mr. Weber has been transferred by the Alberta Government Telephone Co. They have resided at Stettler since leaving Vulcan.

Mr. and Mrs. W. G. Peterson of Calgary renewed acquaintances here the first of the week.

Mrs. M. McDonald of Edmonton has been a visitor the past week at the home of her sister, Mrs. Doug Paris.

A bean supper, sponsored by the Catholic Women's League, will be held in the IOOF hall on Saturday, April 3 from 5:30 p.m. to 7:00 p.m. Admission will be Adults 75c and Children 35c. Come and try our home-baked beans.

## ENGLISH

A bride-elect of April 10, Miss Jane Smith, daughter of Mr. and Mrs. Howard Smith, was honored at a surprise shower on March 22 at Bethany Chapel where close to 100 ladies enjoyed a pleasant evening. The bride-to-be was assisted in opening her many beautiful and useful gifts by her two grandmothers, Mrs. Alex Smith of Ensign and Mrs. John Duguid of Calgary.

Old friends and relatives of Mr. and Mrs. J. E. Duguid met at their home March 4, a surprise party on the occasion of their 47th wedding anniversary. Games were played and a dainty lunch was served. The presentation of a pop-up toaster was made by Mrs. Lent, to which they both very fittingly expressed their pleasure and appreciation.

Kenneth Elves is teaching High School at Kathryn, Alta.

Rxall Remedies "Prescriptions A Specialty"

Mr. and Mrs. Marvin Kuykendall of Medicine Hat were weekend visitors at the Dan Ross home.

Mr. and Mrs. H. S. Burns spent the weekend in Calgary.

Mr. and Mrs. S. M. Davis are receiving congratulations on the birth of a son, at the local hospital Saturday, March 27.

Mr. and Mrs. W. Shrigley were Lethbridge visitors on Sunday and on their return home were accompanied by their daughter, Jeanette who will spend some time with them.

Mrs. Gordon Bell is a Lethbridge visitor this week.

Mr. and Mrs. O. B. Roe, who have spent the past six weeks holidaying in Hawaii, returned home on Friday.

Mrs. G. Swihart of Fort Macleod is at present visiting with her son-in-law and daughter, Mr. and Mrs. Benny Bell.

Miss M. Sissons has returned from a brief visit to Clive, where she went to see her sister-in-law, who recently suffered the loss of a leg in a train-automobile accident.

The friends of Mrs. D. L. Doane will be sorry to learn she is a patient in the local hospital.

Mrs. Fred Gottenberg returned home Thursday after spending 15 days in the Holy Cross hospital, Calgary, and is much improved in health.
